HEARINGS IN THE DISTRICT COURT.

Judge Howell Appoints Appraisers For Shaw Estate—Belnap-Widdison Damage Suit.

BENSON CASE IS APPEALED

To Supreme Court—Crawshaw-Stevens Nuptials—Police Arrest Three Men With Fake Jewelry.

Ogden, March 13.—Judge Howell granted the motion of R. E. Hoag to set aside and quash the summons and service of the same in the suit brought against Hoag by Ezra J. Wardle, holding that the summons was not issued and served within the time set by law, three months from the date of filing the complaint.

John Littlefield was permitted to plead guilty to the charge of assault, and was sentenced to 90 days in the county jail. He was charged with assault with a deadly weapon, on a fellow employee of the Utah Construction company.

The demurrer of Elsie Anderson to the complaint of the American Hand-Sewed Shoe company was sustained, and the plaintiff was granted 20 days in which to amend its complaint.

The case of Belnap against Widdison is still on trial. A large number of witnesses are to be examined for both sides. The court appointed as appraisers of the estate of Ambrose Shaw, deceased, Thomas Whalen, Archibald McFarland and A. D. Shuriff. The estate is worth considerable more than \$10,000, and therefore comes under the inheritance tax. State Treasurer Christiansen has been giving the estate some consideration, and it is understood will commence legal proceedings against the estate to force payment of the inheritance tax on certain real estate which Mr. Shaw bequeathed to the heirs some time before his death. Attorney C. C. Richards represents the estate in settling up the same.

Vinol THE COD LIVER PREPARATION WITHOUT OIL

Vinol is fast superseding old-fashioned cod liver oil and emulsions because, without a drop of oil or disagreeable feature, it contains all the medicinal elements of cod liver oil, actually taken from fresh cods' livers. By our process the oil, having no value either as a medicine or food, is separated from the medicinal elements and thrown away. Unlike old-fashioned cod liver oil and emulsions, Vinol is deliciously palatable, agreeable to the weakest stomach, and therefore unequalled as a body builder and strength creator for old people, puny children, weak, run-down men and women, after sickness, and for all pulmonary diseases. Everything Vinol contains is named on the label.

OUR GUARANTEE—We have such faith in VINOL that if you will take it we promise if it does not benefit or cure you we will return your money without question. We take all the risk.

Rest the Stomach

Nothing will cure indigestion that doesn't digest the food, itself, and give the stomach a perfect rest.

You can't reasonably expect that any weak stomach will regain its strength and get well when it is compelled to do the full work that a sound stomach should do.

You wouldn't expect a sick horse to get well when it is compelled to do a full day's work every day of the week.

Your stomach must have rest. But it isn't necessary to starve yourself in order to rest your stomach.

Kodol Dyspepsia Cure is a perfect digestant. It will digest all of the food you eat regardless of the condition of your stomach.
